### Textbook and/or Resource Materials

P. W. Sauer, M. A. Pai, J. H. Chow, *Power System Dynamics & Stability*, John Wiley and Sons, 2018 [ISBN-13: 978-1119355779] (the first edition, from 1997 and updated in 2006, is also fine)

### Grading Policy

<b>Evaluation:</b>	First exam	35%
	Second exam	35%
	Homework and projects	30%

All exams are closed-book, closed-notes. You may bring in one notesheet (8.5" by 11" both sides), and may use calculators. For Section 600 (on campus) the exams will be during regular class time.

All grading in the course is based on a percentage with final grades determined based on this percentage. If your final average falls within the below ranges you are guaranteed to receive at least the letter grad indicated: A: 90-100; B: 80-89; C: 70-79; D: 60-69; F: 59 or lower

### *Graded Class Participation*

Does not apply to ECEN 667. Class participation (for the on campus students) is encouraged by not graded.

### *Graded Attendance*

Does not apply to ECEN 667 since attendance is not graded.

### Late Work Policy

For full credit students must turn in homework and projects by the day that they are due (i.e., by 11:59pm Central Time). Late work is allowed, but with a penalty that will not exceed 25% per day it is late. Work submitted by a student as makeup work for an excused absence is not considered late work and it is exempted from this late work policy. Details on what constitutes an excused absence are detailed in TAMU Student Rule 7 (<https://student-rules.tamu.edu/rule07/>).

### Course Schedule

Tentative date for the first exam is Thursday October 14, 2021 at 8am  
 Tentative date for the second exam is Thursday December 2, 2021 at 8am

## University Policies

*This section outlines the university level policies that must be included in each course syllabus. The TAMU Faculty Senate established the wording of these policies.*

### Attendance Policy

The university views class attendance and participation as an individual student responsibility. Students are expected to attend class and to complete all assignments.

Please refer to [Student Rule 7](#) in its entirety for information about excused absences, including definitions, and related documentation and timelines.

### Makeup Work Policy

Students will be excused from attending class on the day of a graded activity or when attendance contributes to a student's grade, for the reasons stated in Student Rule 7, or other reason deemed appropriate by the instructor.

Please refer to [Student Rule 7](#) in its entirety for information about makeup work, including definitions, and related documentation and timelines.

Absences related to Title IX of the Education Amendments of 1972 may necessitate a period of more than 30 days for make-up work, and the timeframe for make-up work should be agreed upon by the student and instructor" ([Student Rule 7, Section 7.4.1](#)).

"The instructor is under no obligation to provide an opportunity for the student to make up work missed because of an unexcused absence" ([Student Rule 7, Section 7.4.2](#)).

Students who request an excused absence are expected to uphold the Aggie Honor Code and Student Conduct Code. (See [Student Rule 24](#).)

### Academic Integrity Statement and Policy

"An Aggie does not lie, cheat or steal, or tolerate those who do."

"Texas A&M University students are responsible for authenticating all work submitted to an instructor. If asked, students must be able to produce proof that the item submitted is indeed the work of that student. Students must keep appropriate records at all times. The inability to authenticate one's work, should the instructor request it, may be sufficient grounds to initiate an academic misconduct case" ([Section 20.1.2.3, Student Rule 20](#)).
